STEWARDS DECISION

Stewards Decision: 212 **Document No: 10**

2026 REPCO SUPERCARS CHAMPIONSHIP RACES 33 & 34
"PENRITE OIL SANDOWN 500"

Sandown International Motor Raceway, Springvale, Victoria
5th to 8th November 2026

The Stewards, having received a report from the Deputy Race Director, determine the following:

No and Driver	Car 4 - Jack Le Brocq
Competitor	Matt Stone Racing Pty Ltd
Time	14:58
Date	Friday, 6 November 2026
Session	Practice 1
Fact	Car 4 did not have the correct drop gear ratio and tooth count as specified for this Circuit.
Infringement	Supercars Operations Manual Division C 10.5.1
Decision	Disqualification of Car 4 from the Classification for the Session.
Reason	The Stewards summoned (doc 4) and heard from the Competitor's Authorised Representative. Also in attendance was the DRD, Supercar's CTM and MOM. The Authorised Representative admitted the fact that Car 4 did not have the correct drop gear ratio and tooth count installed as specified for the Circuit and this was a breach of the Rule. He explained that preliminary investigations are that the Team had not changed the drop gear from the previous event. The Stewards accept the explanation was due to a procedural error. There was no intention to seek to gain an advantage (and none was gained). Nonetheless, it still amounts to a technical breach and as such the appropriate penalty to impose is disqualification from the Session. All affected cars are to be moved up in the classification of the Session.

The Competitor is reminded that Decisions and Penalties that may be subject to Appeal are set out in B7.7.2 and the Rights to and process for an Appeal are set out in B5.
